UNITED STATES DISTRICT COURT
 CENTRAL DISTRICT OF CALIFORNIA

DAVID A. STEBBINS,

Plaintiff,

vs.

JARROD JONES,

Defendant

Case No.: 8:24-cv-01486-JVS-KES

RESPONSE TO MOTION TO LIQUIDATE ASSETS

Comes now, Jarrod Jones, Pro se.

I approach the court absolutely flabbergasted and bamboozled at the Plaintiff's inability to adhere to and be patient enough to follow the court ordered settlement agreement. I thought I had six months, not a few days to work with plaintiff to determine my net worth. I have recently acquired employment, a part time job, so I can seek out paying the Plaintiff our settlement of \$1800 paid to him over the course of 18 months starting on September 5th, 2024.

As virtuleless as the Plaintiff is, he does not understand the word of patience both in scope and meaning. Instead, the Plaintiff would much rather openly commit perjury in his filings by claiming that I, Jarrod Jones, have been outright refusing to help him merely over the fact that I have recently worked when I am not used to working. I am not allowed, by the Plaintiff, to be exhausted after a work shift, and have no time to recover. I had suggested that Monday, July 29th, 2024 would be a good date to send the plaintiff what he requests as it seemed reasonable at the

RESPONSE TO MOTION TO LIQUIDATE ASSETS - 1

1 time; however, the plaintiff is very unreasonable himself. As it has taken longer than my
2 guesstimation to obtain documents that he requests.

3
4
5 Plaintiff shows his hand that he does not care for the court's time frame and only
6 wants the money. Relying on dissociative, inaccurate data scraping services to "prove" my net
7 worth is not my net worth. I have provided the Plaintiff with a chart of my taxable income that is
8 provided by the SSI office, for the last 12 years. If I had no expenses over that period as,
9 housing, transportation, utilities, and food I'd have a total of \$68,000; this is not the case.
10 Plaintiff had asked for the personal details of a similarly named person as I, but upon my
11 discovery there are several persons that share my name in my home state of Washington State.
12 There is, as follows.

- 14 1. Jarrod Jones, of Kennewick, Washington: A Finance and Accounting
15 Professional.
- 16 2. Jarrod Jones, of Hays, Kansas: A Dentist who had graduated from the Kois
17 Center in Seattle, Washington.
- 18 3. Jarrod L. Jones, of Tacoma, Washington: No public information exists on this
19 person.
- 20 4. Jarrod Lee Jones, of Seattle, Washington: 57 years of age is the only public
21 information on this individual.
- 22 5. Jarrod M. Jones, of Moses Lake, Washington: No public information is found

23
24
25
26 According to Spokeo there are over 300 persons in the United States of America similarly named
27 Jarrod Jones. Am I to burden the cost to bear by providing the Plaintiff with 300 sets of

1 addresses, phone numbers, emails, and locations of the other 300 Jarrod Jones within the United
2 States? It does not seem unreasonable that as a service that Spokeo has bled another Jarrod Jones
3 into my personal information while they scrape data of persons to be searched by.
4

5
6 Unless ordered by the court, the above people are irrelevant to the case at hand.
7 Unless the court is going to allow the Plaintiff to send subpoenas so they can verify that the
8 above persons are not me, and do not share my finances. What I found above is results from a
9 google search. Spokeo even states that its information is bound to be inaccurate and in other
10 cases false (Exhibit A), and an agreement is made between Spokeo and the User that none of the
11 information found within the report will be used for financial reasons including, but not limited
12 to: Bank Loans, Employment, Housing, and anything else that is covered by the Fair Credit
13 Reporting Act. (Exhibit B)
14
15

16
17 If I follow the same frame of mind as the Plaintiff in this case, Mr. Stebbins. I
18 have looked him up on Spokeo, and according to data found through the website he makes at
19 least 20k to 30k a year income, has Investments, Stocks, and Bonds. (Exhibit C) which if taken
20 as fact leads one to consider that the IFP status that Mr. Stebbins has filed under is fraudulent,
21 and he's hoarding his wealth to himself; however, that is not the only David Stebbins that
22 Spokeo has located in Harrison, Arkansas. There is another David Stebbins that reportedly has
23 Stocks, Bonds, Investments, \$50,000 to \$60,000 income, likes luxury, has mutual funds; is this
24 Stebbins also considered to be the Plaintiff? If the above is true, this does not paint a healthy
25 picture for the Plaintiff. (Exhibit D).
26
27
28

1 If we humor the Plaintiff with the same information that the Plaintiff has raised
2 against me, it brings his entire IFP filing status into question. Is he only receiving SSI benefits,
3 that are mislabeled on his IFP Document by the way, and taking in an income of \$20,000 to
4 \$30,000? This opens a window of insight that not only is the Plaintiff willfully wasting judicial
5 resources that pull from other important cases but is also committing fraud with the Social
6 Security Administration to get benefits when he makes more than enough money to cover court
7 costs and fees as well as live his life as he so chooses?
8
9

10
11 I pray that the court finds that the Plaintiff's motion is done in bad faith, blatant
12 gamesmanship of the court and that actions are taken to render the Plaintiff's demands to
13 liquidate the defendant is rendered moot allowing for the full agreed upon Six Months to
14 continue as provided.
15
16

17 Dated this 31 of July, 2024.

Is Spokeo's data guaranteed to be accurate?

Is Spokeo's data always accurate?

SEARCH INSTANTLY

Billions of Records

Look up results from a wide range of industry-leading data sources and, where available, combine all the data into an easy-to-understand report in seconds

- 130 Million Property Records
- 6 Billion Consumer Records
- 3.9 Billion Historical Records
- 600 Million Court Records
- 89 Million Business Records
- 120+ Social Networks

Spokeo collects these [categories](#) of personal information

Spokeo cross-references over 12 billion licensed public records and thousands of sources to create our reports. As Spokeo is a public data aggregation service, it is possible in some cases that outdated or incorrect information can be incorporated into a report along with up-to-date, correct information. We've recently added a "Show Sources" feature that can help you to distinguish results based on more recent public records from older entries.

Spokeo is working tirelessly to expand and improve the data available on our site so that you have the most relevant results possible.

We would be happy to answer any additional questions you may have about our data quality. Please contact Customer Care for more information:
